WHAT MAKES CENTRAL OFFICE SYSTEMS DIFFERENT

Founded in 1973, Central Office Systems is Konica Minolta's largest and fastest-growing Wisconsin-based authorized dealer. We also sell and support Kyocera and Muratec printers, MFPs, and commercial presses. We repair and replace all major brands of laser and network printers and help business owners streamline their budget and workflow with time and money-saving digital document imaging systems.

CHRISTOPHER ROSECKY
PRESIDENT

"The Professional Standard of Comparison means exceptional client service, flawless execution, and an organization that is easy and fun to partner with. Central Office Systems is a great company to work with and a great company to work for. You can't be just one of those things. You have to be both."
